At the return hearing, the Court may hear evidence in order to determine whether to grant or deny the relief requested, or to schedule a more extended evidentiary hearing. The court may also enter temporary orders. Each party should be prepared to present their case in the time allotted.

The responding party may file a response in accordance with Rule 91, *Arizona Rules of Family Law Procedure*. Copies of the response and all related documents must be served on the moving party or moving party's attorney in accordance with Rule 43, *Arizona Rules of Family Law Procedure*.

If the parties agree that this matter may be expedited by a telephonic scheduling conference in lieu of a resolution management conference, they (or their counsel, if represented) may jointly contact this division to request a telephonic scheduling conference. If such a request is made at

least 5 days before the scheduled matter, the court will determine whether to convert the return hearing into a telephonic scheduling conference.

Failure of the moving party to appear may result in an order dismissing the petition. Failure of the responding party to appear may result in an order granting all relief requested in the petition/motion.

Exhibits for use at the hearing shall be delivered to the Clerk of this Division at least **five (5) days** before the hearing for marking. **If exhibits are not delivered to the Clerk five days in advance, you may be required to use hearing time for the marking of exhibits.** In addition, each party shall deliver a copy of his/her exhibits to the opposing parties at least five days before the hearing.

The parties should also provide a copy of exhibits to the judge on the day of the hearing. This allows the judge to see the exhibits at the same time they are being presented to witnesses.

1:52 p.m. Matter concludes.
